## Our Manufacturing Process

**KGOC has five state-of-the-art manufacturing hubs located in various parts of India, which possess high quality machinery for precision engineering. KGOC is vertically integrated, wherein all manufacturing operations are performed in-house, right from manufacturing of the smallest parts such as spring, rivet etc. to complex multi-part components.**

## Research & Development and Innovation

KGOC has a well equipped Research and Development (R&D) Centre and an ultra modern Tool Room having all the latest facilities. R&D centre, along with its over 200 quality engineers provides the innovation and design breakthroughs that not only simplify life but also compliment the uncompromising quality benchmarks that we have set for ourselves. There are CAD/CAM/CAE set ups which manufacture using the softwares. CNC wire cuts, CNC EDM machines, CNC Milling Machines and other such machinery and equipment develop quality Tools, Jigs and Fixtures which enable KGOC to manufacture the required international quality end products.

## Our Environmental Policy

KGOC has a benevolent Environmental Policy which gives weightage to sustainability and green manufacturing procedures. Environmental awareness and sustainability are not mere words at KGOC. Utmost care is taken to maintain greenery on the land on which our factories are built. Our pledge to the environment is very much woven into our DNA, our philosophy and our way of life. Each one of us believes in the ideology to protect the environment and create a sustainable future. We have made huge investments in solar energy.

## Community Initiatives

KGOC plays a pivotal role in building a better society, and CSR is one such active practice that the company engages in to synergise the efforts of our business towards accomplishing the societal objectives. Over the last six decades, we have actively participated in countless CSR activities, through which our spectrum of values and avenues has gained a broader perspective. As a responsible organisation, we have always been at the forefront in recognising and contributing towards the social and economic issues and stand committed to empowering the weaker sections of the society with better and sustainable solutions.

## Our group's footprint on the globe

KGOC products have a strong foothold in various locations across the world with its presence in over 100 countries across 6 continents.
